

DR. SAL MARTINGANO

SPEAKER | AUTHOR | EDUCATOR | ITALIAN FROM BROOKLYN

EVENT INTRODUCTION BIO

Our special guest today has spoken at numerous special events, universities, schools, conferences, and churches throughout the United States and abroad.

Dr. Sal Martingano is a sought after motivational speaker, published author, educator, and “Boy from Brooklyn” who believes that “Words Have Meaning” and that education is the key to understanding those ever-changing words in today’s society and political environment.

An avid historian, Dr. Sal’s mission is to enlighten, empower minds of all ages on the complex world of politics- using lessons learned from our past to inspire thoughtful conversations about our future.

When he’s not speaking or writing, you can find Dr. Sal spending time with his family (especially the grandchildren), fishing, traveling, and enjoying the sun-soaked, retiree lifestyle in Melbourne, Florida.
